Emeryville, CA • (530) 574-2538 • tianxiao.han@icloud.com
CLIPS & Portfolio • Bilingual in English and Mandarin Chinese • LinkedIn

EXPERIENCE

ByteDance Jun 2026 – Present
Language Specialist Intern San Jose, CA

- Evaluated Lark's AI interpretation/translation features, identifying user pain points and product opportunities across global markets.
- Co-designed research and gathered feedback from 2,000+ users (1,500+ China-based, 500+ international) on AI Interpretation.
- Conducted ~30 interviews weekly and built a tiered framework to prioritize high ROI users for product feedback.
- Synthesized findings into product recommendations, partnering with engineering and product teams on feature iterations.

SF Business Times Dec 2025 – Feb 2026
Freelance Business Reporter San Francisco, CA

- Reported California's electric-vehicle market, showing tariffs and expiring incentives impacting EV consumers and dealerships.
- Managed reporting from source outreach through publication for the outlet's top headline and February print cover.

Oakland North Sept 2025 – Oct 2025
Graduate Student Business Reporter Berkeley, CA

- Reported how tariffs shaped pricing decisions at Oakland businesses, interviewing 10+ businesses and chambers of commerce.

UC Berkeley Coleman Fung Institute Oct 2025 – June 2026
Multimedia Content & Communications Associate Berkeley, CA

- Planned and produced short-form multimedia campaigns across Instagram Reels and YouTube Shorts, contributing to 1,000+ program applications.
- Built a scalable content workflow to repurpose long-form interviews into reusable short-form assets, improving production efficiency and consistency.
- Edited multimedia content for website, analyzed engagement metrics, and optimized messaging for diverse audiences across digital platforms.

UC Berkeley Bloomberg Program Jan 2026 – May 2026
Reporter & Pitch Producer Berkeley, CA

- Researched business topics using Bloomberg Terminal, forming concise pitches and briefing-style summaries.

EDUCATION

University of California, Berkeley
Master of Journalism, expected May 2027 | B.A. Film & Media Studies, Journalism Minor, May 2025

PROJECTS

- **Oakland Road Conditions and Equity Project**, Data analysis of 50,000+ 311 requests using R; created a multi-layer interactive map in R with demographics and litigation. (Please be patient as it loads slowly and map is WIP)
- **The Atlantic's Hackathon**, Project Lead. Prototyped an AI + knowledge-graph research system (Neo4j + LLMs) to organize and surface connections from large archives.
